

murano BY LIGHT4 **luce**

LIGHT IS AN ENDLESS SOURCE OF INSPIRATION AND A REFLECTION OF THE INNER SELF

Un nuovo posizionamento non si improvvisa: la ricerca attenta della migliore qualità, la definizione di uno stile sobrio e distintivo, la nuova interpretazione di una tradizione aziendale seria e matura, sono solo alcune delle scelte importanti che Murano Luce sta compiendo.

Chi fa luce sa che è possibile evolvere dando continuità alla tradizione, che è sempre possibile fare ancora meglio tutto quello che è stato fatto fino ad oggi. Murano Luce cambia con eleganza e pazienza, orgogliosa del proprio passato e certa del proprio futuro.

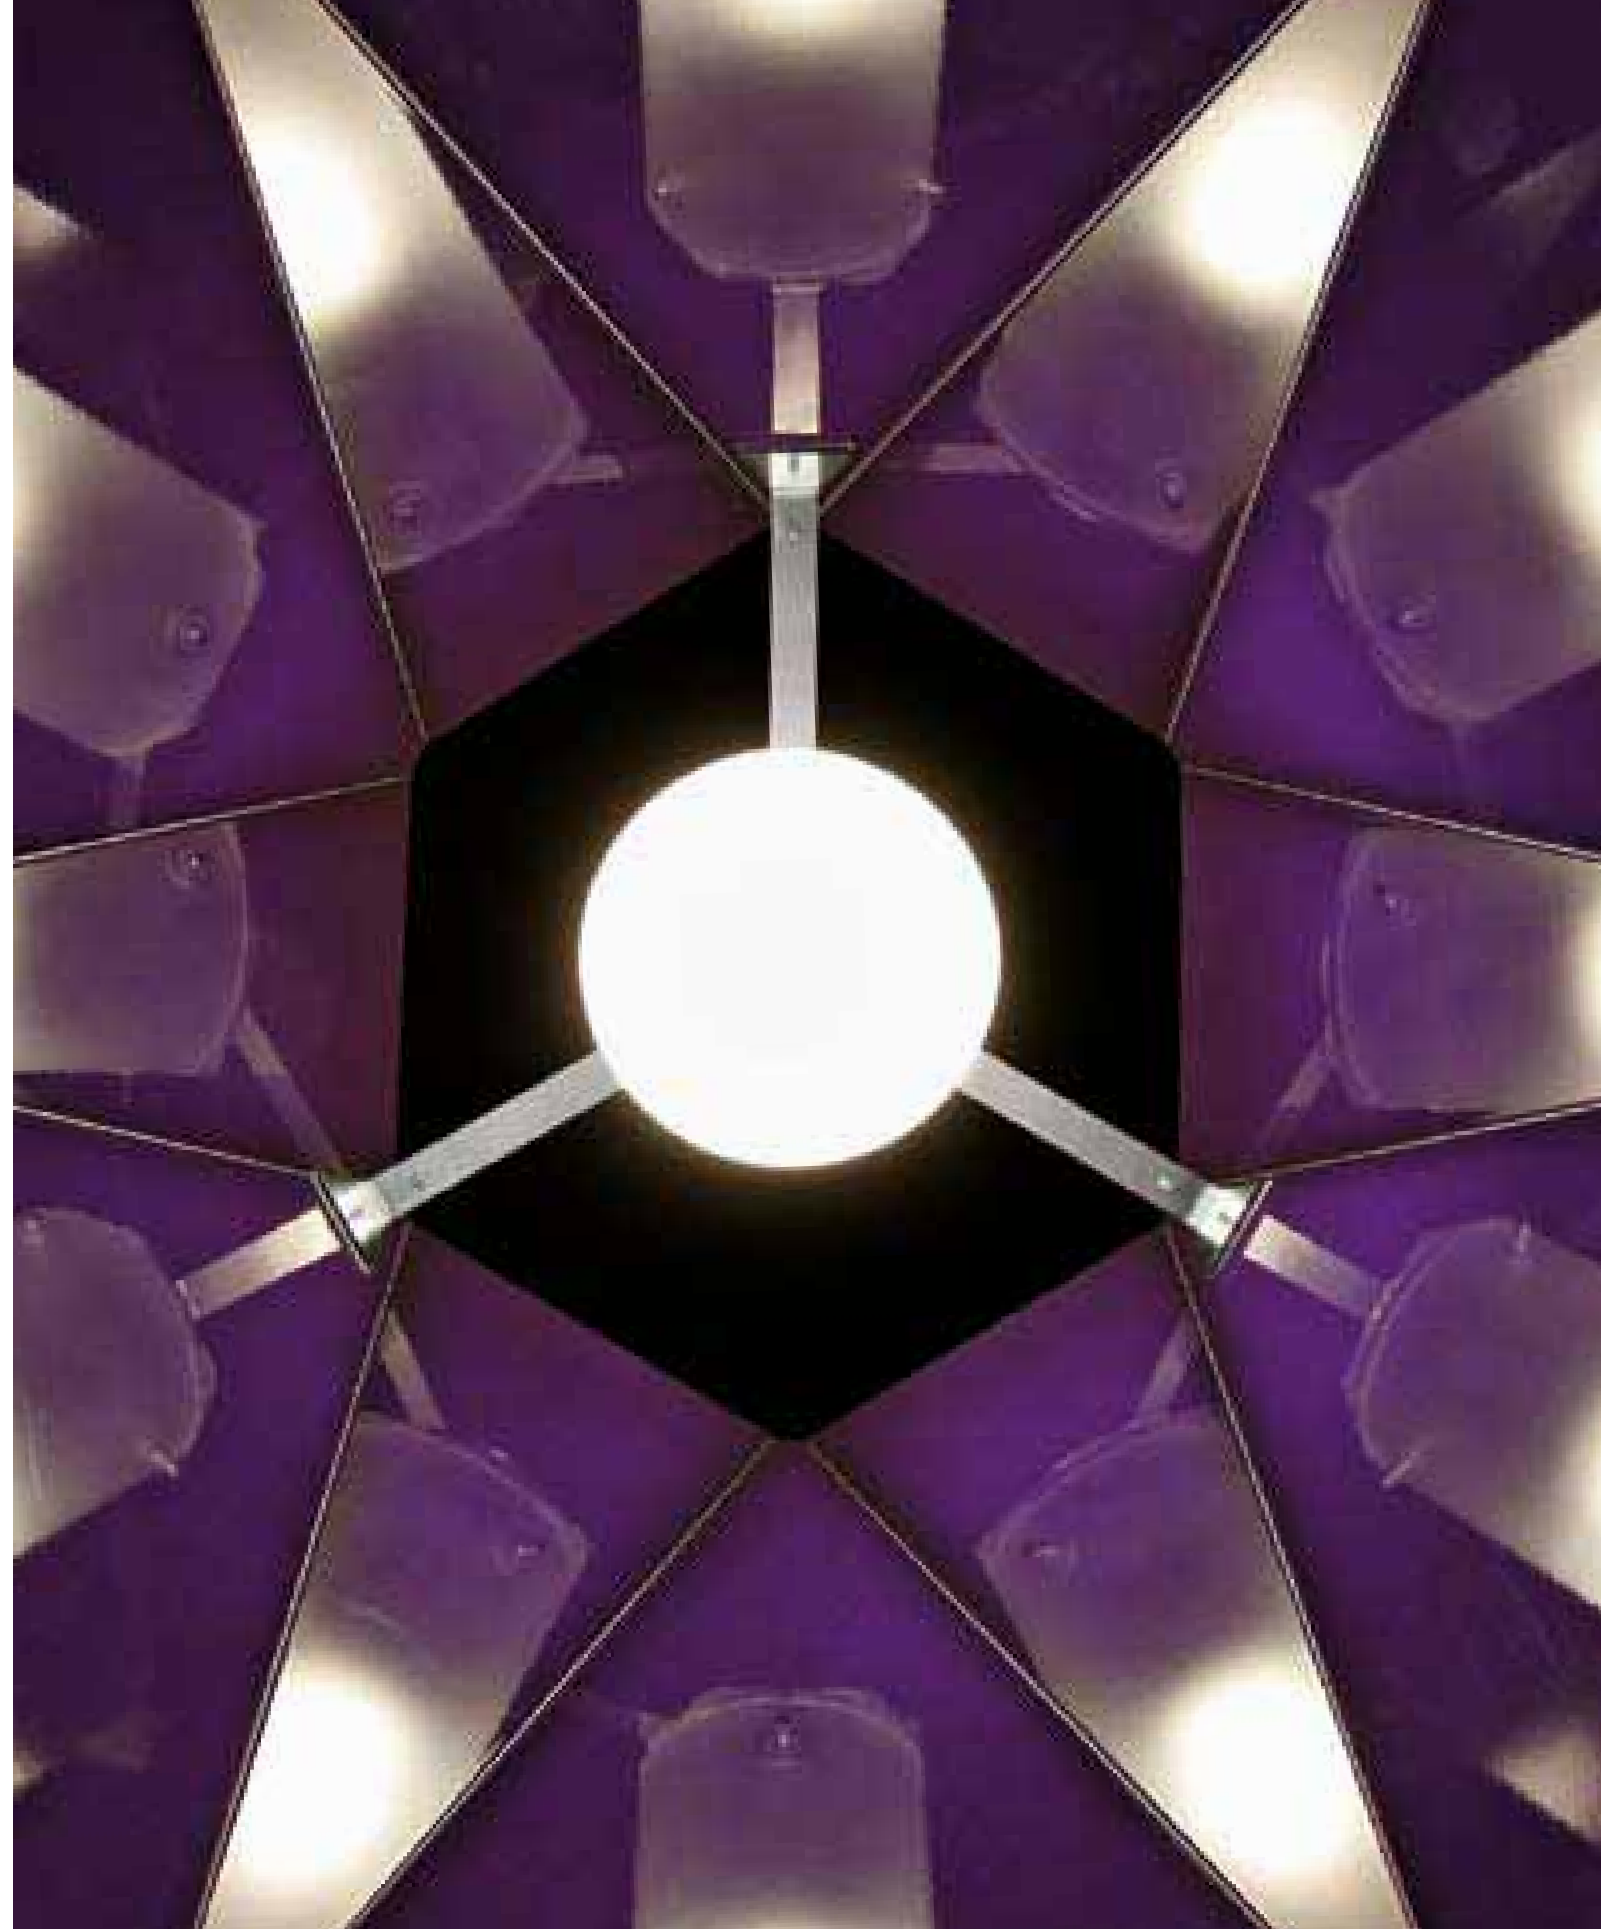

Murano Luce's new positioning is the result of the company's long-standing commitment to R&D aimed at enhancing product quality and service as well as distinction and style, and interpreting its renowned corporate tradition in a future-oriented key. The company is currently implementing this approach with heightened conviction because it knows that anything it has produced to date can always be improved.

Murano Luce thus operates with awareness of its achievements as well as its potential: proud its past and certain of its future.

Light4 srl declina inoltre ogni responsabilità per eventuali errori di stampa presenti nel catalogo. I materiali scelti e la componentistica elettrica sono di prima qualità. Assemblaggio e controllo vengono eseguiti in maniera rigorosa da manodopera specializzata. La produzione in vetro soffiato può presentare alcune minime differenze di peso, colore o spessore, dovute alla lavorazione artigianale dei pezzi. Le eventuali bolle e irregolarità presenti nell'impasto non sono infatti difetti di lavorazione ma caratteristiche preziose ed uniche del vetro soffiato a mano o lavorato artigianalmente. Ogni corpo illuminante è corredato con una busta contenente un foglio di istruzioni, garanzia e modalità di assemblaggio. Light4 srl declina ogni responsabilità per modifiche o riparazioni non autorizzate effettuate dopo l'acquisto, o per mancato rispetto delle istruzioni di montaggio. Tali azioni possono infatti compromettere la sicurezza del prodotto e provocare situazioni di pericolo per l'utente. Tutti gli apparecchi di illuminazione presenti in questo catalogo sono stati progettati e costruiti in conformità alle normative italiane CEI 34-21 armonizzate con le europee EN 60598-1 che a loro volta recepiscono le normative internazionali IEC 58-1. Reproduction of this catalogue or part there of, adopting any format, is strictly prohibited without the prior written consent of Light4 srl. Light4 srl has exclusive ownership of and title to the logo Murano Luce. It cannot be reproduced or used for trading purposes without the written consent of Light4 srl. The company reserves the right to modify the technical characteristics of the products illustrated in this catalogue at any time without any prior notice. Furthermore Light4 srl does not accept liability for any printing errors found in this catalogue. The materials selected and the electrical parts are of the finest quality. Assembly and controls are dealt with by specialised staff to rigorous standards. Items produced in blown glass may vary slightly in weight, colour or thickness, seeing that Light4 srl articles are worked by hand. Any air bubbles or irregularities in the mix are not in fact production defects, but represent the precious and unique characteristics of glass that is blown by hand or worked by craftsmen. Each light is supplied with a bag containing the instructions sheet, warranty and assembly instructions. Any unauthorised modifications and/or repairs of any type made to the product after purchase or failure to follow the assembly instructions may affect the safety of the product and create a hazard for those using it. Light4 srl does not therefore accept any liability in such circumstances. All the lighting equipment illustrated in this catalogue have been designed in conformity to Italian CEI standards 34-21, brought into line with European standards EN 60598-1 which in turn implement international standards IEC 58-1. The measurements given in the technical drawings of the products are expressed in cm. Unless otherwise indicated, the articles are supplied without light bulbs.

The Murano Luce by Light4 srl products are all registered models.
